

AUXILIARIES IN ACTION

VOLUNTEERS HAVE A HEART OF GOLD.

How tragic the weather was this spring. When we thought there could be no more rain there was rain. When we thought the rivers had crested they just kept rising. Many lost precious possessions and some even lost their homes, but there is one thing about Arkansas that is always true and that is that we pull together and help each other through the tough times. It will take a long time to recover from the devastating floods of Spring 2019, and those affected will need our support and help for quite a while and we are really good at this. We practice it daily in our hospitals.

Now that spring is over and we are in the summer months, fall and our 61st annual convention will be here before we know it. Make sure you have October 2 – 4 saved on your calendar. The convention will be at the Embassy Suites in Little Rock. Registration forms have been sent and the full agenda was included with that.

As usual the AHA keynote speaker promises to have an interesting presentation and we appreciate the AHA inviting us to attend. The speaker will be Joe Theismann, world champion quarterback, broadcaster and entrepreneur who will talk to us about having a positive outlook during change. We have some excellent educational programs planned and Thursday night's theme party will be "At the Hop" so pull out those old poodle skirts, sweaters, saddle oxfords and penny loafers and I'LL MEET YOU AT THE HOP.

2018 Auxilian of the Year for Hospitals over 100 beds

She volunteers for many events with the hospital auxiliary, various places in the community and with her church. In all endeavors she represents the hospital in a positive way.

Every week she provides transportation to other auxilians who either don't drive or do not have a vehicle of their own.

She works with the Sheriff's Department in keeping track of the money donated to them to assist in purchasing replacement batteries for the tracking bracelets used for those persons with Alzheimer's or Autism.

She works every week with the maintenance department at the hospital to complete some of their secretarial duties such as data entry and tracking the regulated waste manifest.

She has introduced a machine in the Gift Shop to swipe credit cards, which has increased sales tremendously. She also submits all payroll deduct electronically through a spreadsheet to the hospital payroll department.

For the past eight to ten years she has worked at the state level serving as state president in 2010 – 2011.

2018 Auxilian of the Year for over 100 beds goes to
Mary Frauenhoff, Sparks Medical Center – Van Buren.

Thoracic Surgeon Mathew Steliga was named the 2019 Distinguished Honoree by the auxiliary for his efforts in building a team to fight the state wide lung cancer health crisis. Pictured below is Matthew Steliga, M.D. (left) and UAMS Cancer Institute Interim Director Laura Hutchins, M.D.

Each year the UAMS Winthrop P. Rockefeller Cancer Institute Auxiliary hosts a staff breakfast for the 500 employees of the Cancer Institute at UAMS. In March 10 volunteers came the day before the breakfast and prepared breakfast casseroles. Volunteers also prepared and brought pastries and homemade breads. Fresh fruit and yogurt with a selection of toppings, coffee and orange juice were also provided. The morning of the breakfast 15 volunteers arrived at 6:00 a.m. for final preparations before the breakfast started at 7:15. The chancellor, interim director of the Cancer Institute, doctors and managers were the “celebrity” servers. This is always a favorite with the staff and with the volunteers.

June 7th the Hope committee hosted the bi-monthly birthday brunch. It's the change from breakfast to brunch that continues to draw more auxiliary members. The birthday participants are encouraged to bring a family member or friend. The event has helped recruit several new volunteers.

The auxiliary board members continue to have a booth at the weekly Music on the Square event in Yellville. The event is held weekly and has been a good source for recruiting and publicity. We provide giveaways for this event.

The auxiliary continues to supply volunteers at the Mruk Family Education center on Aging. The center celebrates their 10th anniversary on June 28th. The Center is the hub for AARP Driver Safety, Alzheimers' Support Group, Better Breathers Group, Strong Women and Strong Men Exercise, and many other Groups. They also have Rock Steady Boxing that been so successful; they are looking for a bigger space. They serve over 8,000 residents in our area. Many of their services are free. We also sponsored the Mruk Family Fundraiser "Hangin' In the Hanger" which has been held at our local airport.

The auxiliary hosted lunch for the volunteers at the Flippin Bargain Box at Gaston's Restaurant in Lakeview. The lunch was a strategic planning meeting to deal with the challenges of operating the store until a new supervisor is hired.

During Hospital week we served at the RN Awards, the Pink-A-Dilly had a special sale in addition to the regular discount the employees get. We helped the Shared Governance with their waffle bar and baked goods.

We sponsored the MASH DASH 5 K Run/Walk during Nurses Week. We had a recruitment booth at the VA Benefits Fair.

The auxiliary had two members step up to serve on the North Central District Committee. Jean Adams as District Chairman and will be installed at the AHAA annual meeting in October. Judy Shaffer was elected secretary and began serving at the district meeting held 5/17.

The next hospital tour is scheduled for Friday 6/28. The tour not only helps new residents become aware of the hospital services, but also helps longtime residents become aware of new services provided. The tours have also served as a recruiting tool to gain new members.

The new corporate volunteer group has begun serving to the hospital. Not only do they provide needed support, but they are learning about services provided at the hospital. It is definitely a win-win arrangement for all. Several other groups are currently being trained and should be starting soon.

OZARK HEALTH – CLINTON

Bobbye Bennett

At the February meeting the Auxiliary voted to change the Election of Officers to the March meeting. A slate was presented as follows: Helen Dobbins as President and Gift Shop Coordinator; Bobbye Bennett, Vice President and Event Coordinator; Debbie Collings, Secretary; Scott Spencer, Treasurer. This Board was installed by Kathy Gammill, our District Chair at the April meeting held on April 8th. Hospital Administrator David Deaton presented pins for volunteer hours and years of service for the past year.

Also, at the March meeting \$300.00 was reported transferred from the General Fund to the Scholarship fund in memory of LaVerin Zimmerman, Janie Fullilove and Fred Espinosa, members who have gone to be with the Lord.

Due to unforeseen circumstances we did not have a monthly meeting in May. On the Saturday before Mother's Day, we served punch, fruit and cookies to the Mothers in the Nursing Home. Also, in May, we had a jewelry sale by ABZ Jewelry on May 7th and 8th.

At our June meeting, Monica Hunt, hospital dietician, spoke to the group on diet and diabetes. And, on June 5th Scrubs & Sew On held a uniform sale. Bobbye Bennett helped with the Annual Foundation Golf Tournament, Saturday, June 8th. Saturday, June 15th, the Fathers (and others) at the Nursing Home were served Root beer and Coke Floats with homemade cookies.

As of this date, there is nothing scheduled in July. The Gift Shop will be closed July 4th.

In August we have scheduled a Collective Goods sale on August 7th & 8th. And, we are scheduled to host the Fall District meeting on October 30th.

Just remember, Everybody can be great because everybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love!

The gift of time is priceless!

On May 1, the Osceola Hospital Auxiliary had their Pinning Ceremony. Currently there are 14 members. Pictured are: Paulette Booker, Shirley Stovall, Ann Wallace, Emily Riney, Treva Reese, Adele Black, Sharon Ragan, Mary Pud Thomas, and Lovonda Carter. Not pictured are: Betty Thompson, Michelle Pigmataro, Norma Hicks, Peggy Johnson, and Sonja Burnett. A total of 3,975 hours were volunteered in 2018.

Special Guests were (left to right below) Suzanne Hackney, Arkansas Auxiliary State President; Lovonda Carter SMC Regional Medical Center Auxiliary and Cheri Blurton, HR Administrator of Great River Hospital and SMC Regional Hospital.

The Osceola Hospital Auxiliary awarded Kilyah Stevenson, Osceola High School Senior, with the Dr. Ching-Shan Lin Memorial Scholarship. Stevenson future education goals include a Chemistry/Pre-Med degree at UCA after which she plans on seeking a degree in Pediatric Medicine. She hopes to return to Osceola and “wants to be a part of keeping our youth healthy.

Recently Kilyah competed in a Regional competition as a student teacher working with elementary children. Not only did she win her event, she was recognized by the children as their favorite. This is a great indicator she will do well in her desire to be a pediatrician. She

also has been President in FBLA, active in Student Government at OHS and as AFJROTC Chief Financial Officer.

Pictured in the photo is Kilyah Stevenson and Shirley Stovall, Auxiliary member.

The Osceola Hospital Auxiliary is currently seeking scholarship applicants for students already in an institute of higher learning in the medical field. Applicants can be picked up at the Osceola Hospital Gift Shop, M-F, 9:00-4:00 or by contacting an Auxiliary member. The dead line is June 14, 2019.

During the month of April, the Osceola Hospital Auxiliary sold chances on an Easter Basket full of toys, fluffy stuffed animals and Easter Candy. The drawing was held on April 18. Rachel Thompson was the lucky winner. She said, "I have enough to share with all my grandchildren and family". Pictured is Adele Black, Auxiliary volunteer and Rachel Thompson on the right.

In May we held a fundraiser in the Day room of our hospital to sell books and homemade cookies also there were a few items brought in from our Thrift store inventory.

President Jean Vance attended the Northwest District President's meeting in Fayetteville with the Northwest District chair Carol Evans presiding.

During the month of June two fundraisers were held on the parking lot of our temporarily closed thrift store with great results both monetarily and decreasing current inventory.

Our annual meeting was held June 17 at the Carroll Electric community Room. Our volunteers were recognized for their faithful service.

District Chair Carol Evans installed our new officers. Below left to right: Treasurer Shelba Miller, Secretary Leoria Brewer, President Elect Pat Armer, President Jean Vance and District Chair Carol Evans.

Our theme this year was Volunteers with Hearts of Gold and our table decorations of potted flowers were given as door prizes. Our Volunteer of the year was selected by the members present and will be named and honored in July.

A community fundraiser for People helping People was held during the month of June; People Helping People is a group that helps citizens of Carroll County purchase needed medications.

Three second year scholarships were awarded this year, one of which is Jose Sanchez Gracias a Bio-Med Engineering / Pre-Med major.

Pictured are President Jean Vance, Jose, and Scholarship committee members Anita Spearman and Carolyn Bosshardt.

Unavailable for picture were Elizabeth Loudermilk - Nursing and Nora Waller – Speech Therapy.

Plans for July and August include a Community Blood Drive, another parking lot sale at our thrift store and a booth at the Carroll County fair.

During the month of May, the Auxiliary hosted a free outdoor concert, "Music is Good Medicine," promoting arts and good health. It featured the Little Rock Winds and was held on the grounds of the McGehee Hospital. The event celebrated the healing arts of medicine and music.

During the month of June, the Auxiliary sponsored a state project. "Look before you Lock," which is a safety awareness program designed to educate the general public especially parents and child caregivers about the danger of leaving a child or pet unattended in a vehicle even for just a few minutes.

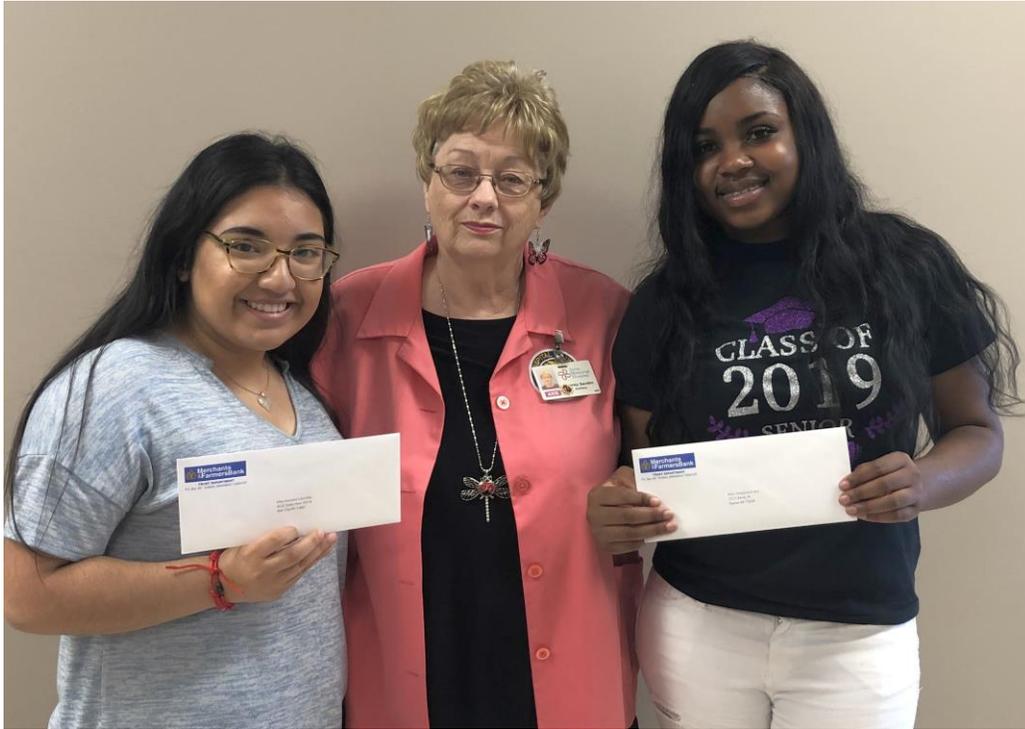

The auxiliary distributed brochures designed by the AHAA giving child vehicular heat stroke facts and also prevention/safety tips. This brochure gives examples of how to create a reminder to always check the back set before locking and leaving the vehicle.

June 2 - Relay for Life of Garland County “Celebration for Survivors and Caregivers” was held at CHI St. Vincent in the Mercy/McAuley Rooms. Several of our volunteers (who are also cancer survivors) enjoyed a nice lunch prepared by CHI dietary, entertainment, and survivor and caregiver stories. Susan Rima purchased door prizes, decorated the room, and was the emcee for the event.

We are happy to welcome a dozen Volunteers for the next few weeks. Several are college students that plan to enter the medical field. It is such a pleasure to work with these young, smart, energetic, fearless young people. Hopefully we are grooming future volunteers and they can survive NO CELL PHONE withdrawals!

The auxiliary purchased three security cameras that have been installed in our Gift Shop. Hopefully this will detour shoplifting. One of our volunteers noticed two teen shoppers; one nudged the other and pointed towards the camera. Susan is able to monitor the cameras on her cell phone and also listen in.

June 26- A room full of volunteers attended our “End of Year Meeting”. DVS, Susan Rima conducted the meeting and shared financial report and more for the past year. Immediately after the joint meeting the auxiliary board members met for June Board Meeting and election of officers. Susan welcomed and introduced two new board members; Mary Schmuhl and Harvey Miller. Officers for the coming year: President-Lynn Smith, Immediate Past President-Thelma Anaya, Vice president-Susan Rima, Secretary- Lisa Goehle, and Treasurer-Tamie Finney. We look forward to another great year under the direction of our awesome DVS, Susan Rima. Susan will be celebrating twenty-two years.

I am happy to report that Peg Kuhnly, past AHAA President, is doing well after open heart surgery on June 20 at CHI-St. Vincent in Little Rock. Peg is now at CHI Rehab in Hot Springs for cardiac rehab. If you would like to send her a card her home address is: 1925 Malvern Avenue Hot Springs, AR 71901.

We were delighted that our hospital was the only one out of 29 Arkansas hospitals assessed to receive the 'A' rating for hospital safety, according to a biannual report issued May 15 by a nonprofit health care watchdog, The Leapfrog Group.

Our 2019-2020 officers were installed by former AHAA President Jerry Berley during our Annual meeting on June 12. At this meeting, we also received a review and update on safety issues by our OCMC Director of Safety, Donna Jeffus.

A check for \$8,500 was presented to CEO/President Peggy Abbott to apply toward our \$300,000 commitment for state-of-the art beds and heart monitoring system.

We were guests of the hospital at the annual cook-out for all employees.

We are now being active in reaching out to our community for the Community Outreach Program. In March we donated non-perishable food items which were given to a local food bank for distribution. In June we brought socks and underwear for elementary school children. These were donated to two local elementary schools.

The Mena Regional Auxiliary recently purchased requested items of need for several departments at MRHS. Purchases included: A recumbent bike for Ouachita Rehabilitation Center, two patient recliners for the ICU Department, a proofer/holding cabinet and six floor mats for Dietary, and a dry erase magnetic board for Lab. We are so grateful for the hard

work and generosity of our Auxiliary! Several fundraisers are hosted throughout the year, which allow the volunteer group to fund scholarships and equipment for hospital needs. Their signature event is the Annual Auxiliary Christmas Breakfast.

Jay Quebedeaux, MRHS CEO recently spoke to the Mena/Polk County Rotary Club during their weekly meeting at Papa's Mexican Cafe. Mr. Quebedeaux clarified some of details regarding Medicaid Expansion and how it will affect healthcare. Additionally, he spoke of the hospital's growth over the past several years and shared information about several new service lines that are currently or will soon be offered at MRHS.

ST. MARY'S REGIONAL MEDICAL CENTER

Janet Thurber

Under the Sea was the theme for Saint Mary's Volunteer Awards and Officer Installation Lunch on May 6.

Newly installed officers from left: Janet Thurber, Treasurer; Sheila Gosnell, Secretary; Jane Hradek, Vice President and Carl Greathouse, President

Volunteers enjoyed a delicious meal and were entertained by the DString String Quartet. A proclamation declaring May 6 as Volunteer Day in Russellville was presented by Mayor Richard Harris. New volunteers were introduced and outgoing officers were recognized. Yearly and hourly pins were presented.

This year a new award was presented to a special Auxiliary couple. Dale and Barbara Boeh were presented with Saint Mary's Volunteer Auxiliary Lifetime Achievement Award. Barbara has 28 years of service and Dale has 26 years of service and between the two of them they have volunteered over 11,000 hours at Saint Mary's.

Also in May, volunteers baked and delivered cookies to Saint Mary's nurses in honor of Nurses Day. The cookie trays were received with big smiles and thanks from every department and nurses' station.

Once again, our volunteers helped ensure that Saint Mary's was well represented at the River Valley Business Expo on May 1st. Along with helping to set up and tear down, volunteers hosted booths, handed out Look Before You Lock and Help stickers and information, aided with screenings, and more.

Volunteer Carol Shoptaw really got into playing the ball drums at the River Valley Business Expo.

Volunteers also found time to hold a scrub sale in May. We raised \$1,906 for scholarships

Volunteer Diana Stensland helps St. Mary's employee Sandy Siebenmorgen at the Auxiliary's Scrub Sale.

Lisa Bomar, Membership Manager of Survival Flight 7 in Russellville, and flight nurse Shaylah Montgomery spoke to the volunteers at the June Auxiliary meeting. Lisa explained that the Survival Flight Membership Program is designed to have zero out-of-pocket costs for members. Lisa and Shaylah provided volunteers with a lot of interesting and useful information.

In June, Happy Camper's Preschool & Clubhouse took a tour of Saint Mary's. Volunteers acted as escorts and took the excited groups of children to various Saint Mary's departments to meet our doctors and nurses and learn what they do. After their tour the children were treated to milk and cookies in the hospital cafeteria.

In August Volunteers begin cutting out and sewing Christmas stockings for all the babies born at Saint Mary's in December. Volunteers have already been working on knitting and crocheting Christmas hats to go along with the stockings.

In September, volunteers will hold a Volunteer Roundup Potluck to recruit new volunteers and welcome back volunteers who were on vacation during the summer.

Articles for September / October newsletter should be submitted by August 31. Please report what you did in July and August and what you have planned for September and October. Pictures are most welcome! If possible please send jpeg format and actual size - not reduced size and give information on the occasion and the names of those in the picture. Please use Word or Office format whenever possible.
